the effectiveness of a good strategy well implemented determines a business future success or failure yet history is full of strategic decisions big and small that were ill conceived poorly organized and consequently disastrous this updated guide looks at the whole process of strategic decision making from vision forecasting and resource allocation through to implementation and innovation strategy is about understanding where you are now where you are heading and how you will get there there is no room for timidity or confusion although the ceo and the board decide a company s overall direction it is the managers at all levels of the organization who will determine how the vision can be transformed into action in short everyone is involved in strategy but getting it right involves difficult choices which customers to target what products to offer and the best way to keep costs low and service high and constantly changing

business conditions inevitably bring risks even after business strategy has been developed a company must remain nimble and alert to change and view strategy as an ongoing and evolving process the message of this guide is simple strategy matters and getting it right is fundamental to business success

galbraith brings together contributions that offer practical strategies for implementing education and training for adults and address the process of purposeful adult learning applicable to a multitude of settings part 1 provides basic information about the adult learner and adult learning part 2 details an array of methods and techniques for implementation of adult learning along with references the final chapter considers issues that will impact on adult learning in the years ahead isbn 0 89464 285 5 29 50
